QUESTIONS PRESENTED

The United States District Court for the Northern District of Illinois, Eastern Division, Ordered and Adjudged on February 16, 2007, that Defendant Illinois Attorney General's Office's motion (7) to dismiss is granted. Defendant City of Chicago's Motion motion (9) to dismiss is granted for lack of subject matter jurisdiction. The case is dismissed and any pending motion is terminated as moot. Moreover, it is not clear to Gloria Wordlaw why her case was dismissed?

Gloria Wordlaw presented all evidence that the court had ever seen. She also explained how the Res Judicata Law does not apply to her case, how the Eleventh Amendment does not bar all suits against its state in federal courts, and how the state immunities may be considered waived in regard to private damage actions for the purpose of enforcing the Fourteenth Amendment against the state or state officials. She also requested the court to please utilize some of its additional power (jurisdiction) to enforce her rights under the Fourteenth Amendment that will allow Gloria Wordlaw to get paid through the federal courts as if she had a lawyer since Alderman Burke and his team of lawyers (Dan Webb's office) will not allow her to have a lawyer.

Gloria Wordlaw presented all of the above in her motion dated February 15, 2007, and exhibits filed February 16, 2007, in response to Attorney Kevin Lovellette's motion he requested her to answer to.

Because of the above statements, Gloria Wordlaw presented twelve (12) questions:

QUESTIONS PRESENTED – Continued

1. Her rights under the Fourteenth Amendment are being violated. She has not been allowed to have a lawyer in this matter; and is it not true that the worst criminals are allowed to have a lawyer?

2. Misconduct on both lawyers' behalves: Attorney Lammers for the City of Chicago and Attorney Lovellette for the Illinois Attorney General's office filed a motion to appear before Elaine E. Bucklo on January 18, 2007, at 9:15 a.m. to dismiss Gloria Wordlaw's complaint. Neither Attorney Lammers nor Attorney Lovellette showed up for court on January 18, 2007.

3. Judge Elaine E. Bucklo did absolutely nothing about their misconduct and still allowed Attorney Lovellette to continue to file motions and to do as he pleased.

4. Is it not true that Judge Bucklo should have granted Gloria Wordlaw everything Gloria Wordlaw requested in her Complaint for their misconduct?

5. Gloria Wordlaw received a notice (notification of Docket Entry) on January 19, 2007, in the mail from the court stating: response due by February 6, 2007, replies due by February 20, 2007, target date for ruling by mail set for March 14, 2007.

6. On February 21, 2007, Gloria Wordlaw received a notice in the mail stating that a hearing took place on February 16, 2007, and her case was dismissed. Gloria Wordlaw was never notified that a hearing was going to take place on February 16, 2007.

7. It is not clear to Gloria Wordlaw why the court said, "The court does not have any jurisdiction over the City of Chicago, Gloria Wordlaw does not have a claim and her case is less than $75,000.00?" My judgment should be based on the total amount that

QUESTIONS PRESENTED – Continued

the state collected for the City of Chicago and the Illinois Attorney General's Office. The state collected $532 million in October and November 2003 as a result of the Attorney General (Lisa M. Madigan) using the information in Gloria Wordlaw's proposal without her permission.

8. The fact that the Attorney General (Lisa M. Madigan) used the information in Wordlaw's proposal without her permission and refused to help Wordlaw violated Wordlaw's rights under the Fourteenth Amendment. The Attorney General (Lisa M. Madigan) was in lawful possession of said property (Wordlaw's proposal) then and there unlawfully converted and disposed of the same to her own use. Based on the above fact, Gloria Wordlaw should be or is entitled to be paid by the State, right?

9. Wordlaw used the Conversion Law to make her claim. If she used the wrong law, please let her know what law can be used for her case. Is there a controlling law for our case? She is trying to get paid from two very powerful Government Entities. If there is no Controlling Law for her case, can the Supreme Court regulate the practice or the rule to be consistent with the federal law as stated in Federal Rule of Appellate Procedure 47(b)? As stated earlier, Gloria Wordlaw does not have a written attorney/client agreement with any lawyer at this time. Therefore, can the Supreme Court appoint Gloria Wordlaw a lawyer? It would be deeply appreciated. She would like to start to live a normal life again.

10. The Res Judicata Law does not apply. (See Motion filed by Gloria Wordlaw on February 15, 2007, and exhibited filed February 16, 2007 for more details).

QUESTIONS PRESENTED – Continued

11. Is it not true that it is unlawful for Alderman Burke and his team of lawyers (Dan Webb's Office) to deprive Gloria Wordlaw from working and destroying her business?

12. Gloria Wordlaw requested the court to please grant the additional relief for PUNITIVE DAMAGES in the sum of $250,000,000.00. She filed the documents for the punitive damages on February 15, 2007, with the motion that was filed on February 15, 2007, and exhibits were also filed for punitive damages on February 20, 2007. The punitive damages do not appear on the computer nor were they filed in a docketing file as documents not scanned. What did they do with the documents for the punitive damages? Gloria Wordlaw is requesting the Supreme Court to please grant the additional relief for the punitive damages in the amount of $250,000,000.00.

PETITION FOR WRIT OF CERTIORARI

Petitioner respectfully prays that a writ of certiorari issue to review the judgment below.

OPINIONS BELOW

The Order denying Petitioner jurisdiction in the United States Court of Appeals for the Seventh Circuit, filed May 25, 2007.

The Judgment in a Civil Case dismissing the case for lack of subject matter jurisdiction in the United States District Court, Northern District of Illinois, filed February 16, 2007.

JURISDICTION

The jurisdiction of court is invoked under 28 U.S.C. § 1254(1).

CONSTITUTIONAL AND STATUTORY PROVISIONS INVOLVED

1. The nature of the suit: Civil Rights, under 42 U.S.C. section 1983 Act, 252, 254. (Personal Property) liability.

2. My rights under the Fourteenth Amendment is being violated. I have not been allowed to have a lawyer in this matter.

U.S. Const. amend. XIV

Section 1. All persons born or naturalized in the United States and subject to the jurisdiction thereof, are citizens of the United States and of the State wherein they reside. No State shall make or enforce any law which shall abridge the privileges or immunities of citizens of the United States; nor shall any State deprive any person of life, liberty, or property, without due process of law; nor deny to any person within its jurisdiction the equal protection of the laws.

3. The attorney General, Lisa M. Madigan violated our right under the Fourteenth Amendment when she used the information in our proposal with out Gloria Wordlaw permission.

STATEMENT OF THE CASE

1. On August 7, 2003, at Chicago Cook County, Illinois Plaintiff Gloria Wordlaw was entitled to immediate possession, of the following described personal property.

In October 1, 2003 to November 17, 2003 the Illinois Attorney General, Lisa Madigan, used the information in our proposal without our permission. Defendant, Attorney Generals office (Lisa M. Madigan) was able to generate or collect $532,000,000.00 through an amnesty program. Moreover, both the city of Chicago and the state of Illinois (Attorney General's office) benefited from the amnesty program as a result of Lisa M. Madigan, Attorney General using our proposal (personal property) without our permission. This is a violation under the Civil Rights Law,

under 42 U.S.C. section 1983 Acts, 252, 254 (personal property) liability.

The kind of relief Gloria Wordlaw is requesting are the following:

A. To be paid at least 10% of what was collected $532,000,000.00. $124,600,000.00 was collected for the city of Chicago, 10%=$12,600,000.00 and $407,200,000.00 was collected for the state of Illinois 10%=$40,720,000.00.

B. We also requested the court to please grant us $250,000,000.00 for punitive damages for the Intentional Emotional Distress that Alderman Burke and his team of lawyers Dan Webb's office have been causing us since 1990, for not allowing us to work or operate our business since 1990.

Also please request that the city of Chicago and the state of Illinois send our checks to the Supreme Court's clerk office please.

2. The United States districts courts northern districts of Illinois, eastern division, ordered and adjudged that defendant Illinois attorney generals office's motion (7) to dismiss is granted. Defendant city of Chicago is motion (9) to dismiss is granted for lack of subject matter jurisdiction. Accordingly the case is dismissed and any pending motion is terminated as moot. The date above Judgment entered 02/16/2007; and final Judgment entered 02/16/2007.

3. The date Motion by plaintiff, Gloria Wordlaw for reconsideration and submit our evidence that the court has never seen; filed with exhibits 01/17/2007.

4. Motion filed by plaintiff Gloria Wordlaw to enforce jurisdiction filed 02/15/2007.

5. Exhibits filed 02/16/2007 by plaintiff Gloria Wordlaw regarding motion filed 02/15/2007 to enforce 23 (exhibits).

6. Exhibits filed 02/20/2007 by Gloria Wordlaw regarding motion filed 02/15/2007 for punitive damages in the sum of $250,000,000.00 are not shown on the computer nor are they filed in a docket file as (documents not scanned).

7. Notice of appeal filed by plaintiff Gloria Wordlaw on 3/14/2007 regarding order 21, 22.

8. Our case will be dismissed from the court of appeal on April 5, 2007, because we do not have a lawyer.

REASONS FOR GRANTING THE PETITION

1. Gloria Wordlaw is an extraordinary case because Gloria Wordlaw is trying to get paid by two powerful Government Entities. The City of Chicago and the State of Illinois (Attorney General's Office), in which both entities are controlling the State and Federal Courts in the City of Chicago.

It is because of these reasons Gloria Wordlaw feels that adequate relief cannot be obtained in any other form from any other court; therefore, we decided to bring our case to the Supreme Court to seek Justice!

2. In reviewing all of our documents it will be obvious that there is corruption on both the city of Chicago and the state of Illinois's behalf. And there was no justice on

Gloria Wordlaw's behalf, and there was no justice on Gloria Wordlaw's behalf our case was dismissed, we were not allowed to have a lawyer and we were not compensated.

3. We have not been able to obtain a lawyer for this case due to Alderman Burke and his team of lawyers (Dan Webb's office) not allowing us to have a lawyer and also not allowing us to work or operate as a business since 1990.

4. When we were in court trying to get our case resolved, it appears that Alderman Burke and his team of lawyers (Dan Webb office) were meeting somewhere with a lawyer, who is not our lawyer and the lieutenant Governor. Moreover, if they are using documents, they did not get the documents from us. (Gloria Wordlaw) We do not have a written attorney/client agreement with any lawyer. The city of Chicago is a very, very corrupt city.

5. I was qualified to do the job of assisting the city of Chicago in resolving their tax problems. (See my work experience) the fact that the city refused to pay us nor, did they allow us to continue to work and destroyed our business is a humiliating thing for us to go through. Although, each month some of my family members help pay my bills, I am still at risk of losing my house that I have had for 25 years.

6. Both the city of Chicago and the state of Illinois (Attorney General's office) benefited from our proposal (our property) the city of Chicago will continue to benefit from our proposal because the money from our proposal will continue to generate for the city of Chicago for as long as this city is standing!

FEDERAL JURISDICTION

The "State" for Purposes of the Eleventh Amendment.

The second major issue concerns whether a "state" is being sued. Suit is barred only when the state government is the defendant. Agencies of the state come under this heading, but its political subdivisions do not. Thus suits in federal court against municipal corporations, counties and school boards raise no Eleventh Amendment issue. An entity that is merely the instrumentality of state government shares its immunity, but an entity that is a politically independent unit enjoys no Eleventh Amendment protection.

State's immunities may be considered waived in regard to private damages actions grounded in statutes enacted by Congress pursuant to its power to enact appropriate legislation for the purpose of enforcing the Fourteenth Amendment against the states or state officials. *Families Unidas v. Briscoe*, C.A.5 (Tex.) 1980, 619 F.2d 391. Federal Courts – 266.1

Congress has power under § 5 of the Fourteenth Amendment to abrogate state's Eleventh Amendment immunity in order to enforce protections of Fourteenth Amendment. *Pegues v. Mississippi State Employment Service*, C.A.5 (Miss.) 1990, 899 F.2d 1449. Federal Courts – 265

7. We would like to be paid 10% of $407,200,000.00 that was collected for the State of Illinois, which comes to $40,720,000.00 and 10% of $124,600,000.00 that was collected for the city of Chicago, which comes to $12,460,000.00.

8. We would like to be granted additional relief for punitive damages: for Alderman Burke and Dan Webb, not allowing us to work since 1990 and destroying my business. In the sum of $250,000,000.00 (see documents filed for punitive damages filed 02/15/07 and 02/20/07 see copies).

9. We need the Supreme Court to please help us get our case resolve. We would be very, very, grateful if the Supreme Court would make a favorable ruling on our case. We deserve to live a normal life.

CONCLUSION

For all the foregoing reasons, Petitioner respectfully ask that the Supreme Court Grant review of this matter. Gloria Wordlaw would be very, very, grateful if the Supreme Court would make a favorable ruling on our case. We deserve to live a normal life.

Respectfully submitted,

Also, appellant G. Collins Wordlaw, Ltd. was advised that the failure to obtain the services of an attorney to handle this appeal would result in the dismissal of this appeal. STATEMENT

Defendant Illinois Attorney General's Office's motion to dismiss is granted. Plaintiff's action is barred by the Eleventh Amendment to the United States Constitution, which prohibits suits in federal courts against state governments. *See Toeller v. Wisconsin Dep't of Corrections*, 461 F.3d 871, 874-75 (7th Cir. 2006). Plaintiff's request that this court allow the suit against the state is denied, for this court does not have the power to do so under the Constitution. *See id.* Defendant City of

Chicago's motion to dismiss is granted for lack of subject matter jurisdiction. In order for this court to have jurisdiction over a civil action there must be diversity of citizenship and an amount in controversy that exceeds $75,000, or a federal question. No diversity of citizenship exists in this case and plaintiff's breach of contract action does not present a federal question, despite plaintiff's claim that this violates the Fourteenth Amendment. *See Mid-American Waste Sys., Inc. v. City of Gary, Indiana*, 49 F.3d 286, 290-91 (7th Cir. 1995). Accordingly, the case is dismissed and any pending motion is terminated as moot.

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF ILLINOIS
EASTERN DIVISION

Plaintiff(s)	**Case No.** 06CV7167
G. Collins Wordlaw, Ltd. An Illinois Corporation	Judge Bucklo
v.	
City Of Chicago and Attorney General A Municipal Corp. A Municipal State	
Defendant(s)	

MOTION

(Received Feb. 15, 2007)

The purpose of this motion is to respond to the Defendant, Illinois Attorney General's Office, Motion to Strike Plaintiff's Motion filed January 17, 2007 and to request this Honorable court to STRIKE Defendant's Motions to dismiss G. Collins Wordlaw, Ltd.' Complaint, on all counts, 1 through 5 in its January 11, 2007 and all counts 1 through 6 in it January 26, 2007 Motion .

G. Collins Wordlaw, LTD's MOTION to STRIKE and respond to Defendant's filing Captioned "MOTION" which was filed on January 26, 2007.

1. The Plaintiff have filed an Amended Complaint under the Conversion Law to replace Complaint filed January 17, 2007. A copy is included with this motion. (see count II)

2. The Plaintiff has address the issues raised in the Illinois Attorney General's Office Motion to dismiss G. Collins Wordlaw Ltd.'s Complaint and our responses are listed below:

I. THE ELEVENTH AMENDMENT IMMUNITY

1. In our Motion dated January 26, 2007, number 2 the Plaintiff requested the Defendant, Illinois Attorney General to waive its immunity. We also stated what if, the Attorney General's Office refused to do so, we would request the court to create a Federal cause of actions against the State without their consent to enforce my constitutional Rights under the Fourteenth Amendment, that will allow me to be paid through the Federal court.

I. THE ELEVENTH AMENDMENT IMMUNITY

1. Also, as we Stated to you in our January 16, 2007 letter, according to the Eleventh Amendment Acts, it does not bar *all* suits against its State in Federal Courts. A State or some States may choose to give up its immunity to lawsuits under this Amendment. It has done this for example, in enforcing the Fourteenth Amendment.

   The Attorney General's Office violated my Rights under the Fourteenth Amendment when the Attorney General's Office used the information in our proposal without our permission. The Attorney General's Office also refused to help me as a *citizen* when I requested their help to be compensated from the City of Chicago. We also requested their help when alderman Burke and his team of lawyers (Dan Webb's Office) to stop them from doing the terrible things to us that they were doing.

2. Alderman Burke and his team of lawyers (Dan Webbs' Office) have been depriving me from having a lawyer since 1989, and nothing was done about it. Again, my Rights as a citizen have been violated under the Fourteenth Amendment.

3. We also wrote the Attorney General's Office about Attorney Rowells being involve in our case without our permission and nothing was done about it. Again, my Rights as a citizen have been violated under the Fourteenth Amendment. We never had a written attorney/client agreement with attorney Rowells.

4. We are requesting this Honorable Court to enforce any Jurisdiction to enforce my constitutional Rights under the Fourteenth Amendment, that will allow the court to pay me through the Federal Court.

II. FAILURE TO STATE A CLAIM

We have stated our claim under the *CONVERSION LAW*. An Amended Complaint was filed to replace the complaint that was filed with January 17, 2007 Motion. A copy is included with this Motion.

1. We are requesting the court to review and consider the additional *Facts* that the court have never seen:

    1. August 7, 2003 letter to the Attorney General's Office

    2. Informational Bulletin
    indicating how the State went back as far as 1983 to collect the additional taxes that we mentioned in our proposal.

    3. The letter from the State Illinois Department Of Revenue, stating how much money was collected for the City and State

4. The Amnesty Report for 2003
5. Summary Of What took Place in 1990.
6. Letters to Mayor Daley and Lisa Madigan

III. A PRO SE PLAINTIFF MAY NOT REPRESENT A CORORATION

We have not been able to retain a lawyer since 1989 due to alderman Burke and his team of lawyers depriving us from having a lawyer; therefore, again, we are requesting the court to use any jurisdiction to enforce my constitutional Rights under the Fourteenth Admendment, that will allow the court to pay G. Collins Wordlaw, Ltd.,as if we had a lawyer!

IV. THERE IS NO DIVERSITY OF CITIZENSHIP

My Rights under the Fourteenth Amendment have been violated; therefore, no Diversity is required.

V. CLAIMS ARE BARRED BY RES JUDICATA

Res judicata usually appiles when a conflict arises between the same parties for the same *facts* that was resolved in an earlier case.*

1. The court has never seen any of G. Collins Wordlaw, Ltd's *facts*. We G. Collins Wordlaw, Ltd. filed another lawsuit case no.06CV7167 to request the court to *PLEASE* review and consider all of the facts that the courtnever seen. On the other hand, when a separate and new lawsuit is filed to challenge some aspect of an earlier and separate case, it is called a *COLLATERAL*

* Res Judicata usually applies when a conflict arises between the same parties over the same facts that were resolved in an earlier case.

ATTACK on the earlier case. (see attachment on Collateral Attack).**

2. The court made a decision to allow the earlier case,case no. 06C 1127 to be resolved without giving G. Collins Wordlaw, Ltd. an opportunity to give the court our *facts* and we were not allowed to have a lawyer (an obvious injustice and unconstitational treatment occurred in the earlier case).

3. We were not aware that an appeal could be taken within 30-days. No one was communicating with us and we did not have a lawyer. The Judge stated that this case could be resolve on a state level under the five-years Statute Of Limitation. The Attorney General's Office to this day February 15, 2007, have failed to pay us!

4. CIVIL LAW In order for a second suit to be dismissed on a motion of re judicata in a civilian jurisdiction, the trial must be identical to the first trial in the following manner: (1) identical parties, (2) identical theories of recovery, and (3) identical demands in both trials. Case no.06CV7167 is not identical to Case no. 06C 1127. (see attachment for civil law)

WHEREFORE, for the foregoing reasons, and the reasons stated in the Plaintiff's Motions filed January 17, 2007, January 26, 2007 and February 15, 2007, G.Collins Wordlaw, Ltd. is Begging this Honorable court to Strike both of the Defendant's Motions, on all counts 1 through 6 in its January 26, 2007 Motion and all counts 1 through 5,

---

** When a separate and new lawsuit is filed to challenge some aspect of an earlier and separate case, it is called a collateral attack on the earlier case. This is different than an appeal, which is a challenge to some aspect of a decision made in the same case.

should be Stricken in Defendant's January 11, 2007 Motion.

PLAINTIFF, is requesting judgement against DEFENDANT in the sum of $40,720,000.00 from the Illinois Attorney General's Office and its cost of suit. Your Honor, we are Begging this court to seek JUSTICE in this matter, PLEASE do not let us walk away empty-handed again.

Re: G. Collins Wordlaw, Ltd. vs The City Of Chicago

(Received Feb. 16, 2007)

Dear Your Honor,

Thank you for the help that you gave us, it is deeply appreciated! We are sending you copies of the proof that the city have been using *all* of the information that is outlined in our propcsal. The Director Of Revenue after Patrick Quinn and Edward M. Burke used the information in our proposal (see copies).

Furthermore, I Gloria J. Wordlaw, do not owe the Illinois Department Of Revenue any money. However, when the Illinois Department Of Revenue sent me the notice of liability requesting me to respond and paid $15.30 for interest due for 1992 by December 24, 2002, I had a refund due to me for year 2000, 2001, and 2002. (please see my letters to Mr. Bartolomucci July 18, 2003 and August 4, 2003).

Further, we hope that your office will see a need to further investigate Alderman Ed Burke, he has certainly caused us a great deal of Pain and Suffering. There's no telling what great pain and suffering he has caused others. Ed Burke and the people who have been helping him have destroyed our career as a Tax Consultant, we do not have enough paper to list all the other things they have done.

Again, thank you for all the help that you gave us, it is deeply appreciated!

Sincerely,

Dear Ms. Wordlaw:

Brian Hamer asked me to respond to your letter of August 30.

Amnesty total collections were	$532 million.
Of that amount $117.6 million was deposited into The income tax refund fund, per state law. The deposits were 11.7 percent of individual income tax collections and 32 percent of business income tax collections.	- $117.6 million
That leaves available to state and local governments	$414.4 million
The various taxes are divided according to different Formulae – but the shares break down:	
State receipts	$289.8 million
Local receipts	$124.6 million
The City of Chicago's share of the local receipts, based on its population and historic collections was. (note – this is city only, not Chicago school's, for example)	$19.1

This reflects Chicago's share of the Individual Income Tax, Use (sales) Tax, and Personal Property Replacement Tax (collected on Business Income Tax Returns) received during amnesty.

I hope this answers your question.

Sincerely

Summary of What Took Place in 1990

In 1990, the city of Chicago allowed someone to use the information in our proposal to help them collect past due sales taxes and Alderman Burke approved it. (See the attached document with Alderman Burke's signature on it). The person who used information from our proposal suggested that City of Chicago should request the State of Illinois to pass a law for the state to collect the city's outstanding sales taxes.

The person who used the information in our proposal to help collect the city's sales taxes could not have made the decisions that he or she made with out having read the information in our proposal, I, Gloria J. Wordlaw, never gave anyone other than the City of Chicago, a copy of G. Collins Wordlaw, Ltd's proposal not even the lawyer who represented us in court. The city of Chicago is only one who had at least four or five copies of our proposal.

Also, the person who used the information in our proposal in 1990, did not fix or correct all of the problems in regards to recovering all of the outstanding sales tax because he or she did not know how to tell the City of Chicago how to collect the additional money that was due to them going back as far as 1983. We G. Collins Wordlaw did mention this in our proposal and could have helped them to collect this additional money that was due to them.

Because the person who used the information in our proposal in 1990, did not fix or correct all of the problems in regards to recovering all of the out standing taxes; the attorney general, Lisa M. Madigan in October, 2003, used the information in our proposal without our permission going back as far as 1983 and made history! Both the City and State benefited a great deal from the $532,000,000.00

that was collected; therefore, G.Collins Wordlaw, Ltd would like to be paid.

AMENDED COMPLAINT AT LAW

(RECEIVED Feb. 15, 2007)

Plaintiff, G. Collins Wordlaw, Ltd. or Gloria J. Wordlaw an Illinois Corporation, complaining of Defendants, City of Chicago, a Municipal Corporation, and Attorney General's Office, a Municipal State, alleges as follows:

Count 1 CONVERSION

1. On August 7, 2003, at Chicago Cook County, Illinois Plaintiff G. Collins Wordlaw, Ltd., an Illinois Corporation, was entitled to immediate possession, of the following described personal property, to wit:

   In October 2003, the Attorney General's Office (The State of Illinois) used the information in our proposal without our permission. The Attorney General's Office requested the Illinois Department of Revenue to have an Amnesty Program, to collect additional taxes due to the city of Chicago and the State of Illinois

going back as far as 1983. We G. Collins Wordlaw, Ltd. did mention this information in our proposal and we also included this information with our August 7, 2003 letter when we wrote the Attorney General's Office for help. We also included a copy of the *MANDAMUS LAW* explaining how the *MANDAMUS LAW* compels the State to collect the additional taxes that was *still* due to the City of Chicago and the State of Illinois. (for more details see August 7, 2003 letter, summary of what took place in 1990, 10/03/06, 10/23/06, 11/16/06, 12/05/06 and 12/15/06, letters)

2. As a result of The Attorney General's Office using the Information in our proposal without our permission, an Amnesty report in 2003 revealed that the State of Illinois instituted an Amnesty Program that allowed the State Of Illinois to collect *$532 Million dollars* in October 1, 2003 through November 17, 2003 making it the Most successful Amnesty Program in the United States history. Both the City Of Chicago Program and the State of Illinois benefitted from this Amnesty Program (see Amnesty report in 2003 and the report that we requested from the Director Of the Illinois Department Of Revenue).

3. Defendant (Attorney General's Office), being in Lawful possession of said property, then and there unlawfully converted and disposed of the same to its own use.

4. Said property was then and there of value to the State Of Illinois (Attorney General's Office) at least $407,200,000.00 to the Defendant and $40,720,000.00 to the Plaintiff, and said property was then and there of value to the City Of Chicago at least $124,600,000.00 to the Defendant and $12,460,000.00 to the Plaintiff.

5. Plaintiff never gave the Defendant (Attorney General's Office) permission to use information in our proposal.

6. By reason of the premises, Plaintiff was damaged in the sum of $40,720,000.00 from the State of Illinois (Attorney General's Office) and $12,460,000.00 from the City of Chicago, no part of which has been paid.

7. WHEREFORE, Plaintiff is requesting judgment against both Defendants in the sum of $40,720,000.00 from the Attorney General's Office and $12,460,000.00 from the City Of Chicago, and its cost of suit.

Re: April 19, 2007 Court Order

Dear Attorney Georges:

It is not clear to us what you and the court want us to do? Why did we receive the enclosed court order? We were told by someone on the 27th floor Appeal Court Office that you and Lisa M. Madigan are not on the 27th floor? We filed the Notice Of Appeal on the 27th floor!

Furthermore, because my Rights under the Fourteenth Amendment have been violated by both The City Of Chicago and The State Of Illinois (Attorney General's Office), we requested the Court to *Please* utilize some of its additional power (Jurisdiction) to enforce my constitutional Rights under the Fourteenth Amendment that will allow G. Collins Wordlaw, Ltd. to get paid through the Federal Court. Please refer to all of the Motions that we filed in The District Court: 1/17/07, 1/26/07, 2/15/07, and Exhibits filed 2/16/07, and also the Petition that we filed with the Supreme Court on 04/04/07.

We *Still* would like to be paid by both the City Of Chicago and The State Of Illinois Attorney General's Office and also be *Granted Punitive Damages in the sum of* $250,000,000.00 for alderman Burke and his team of lawyers (Dan Webb's Office) not allowing us to work or operate our business since 1990. We have proof that Alderman Burke and his team of Lawyers have not allowed us to work, we have the documents that we filed with the court and our 1120's that we filed with the federal (IRS). It is *sad* that the City and State *Still* have not paid us.

Further, we mailed both the City Of Chicago and the State Of Illinois Attorney General's Office a copy of our Petition, a Writ Of Certiorari that we filed with the Supreme Court. see enclosed copies of the green card from the postal service, proof of service. Also, Attorney Rowells is *NOT* our Lawyer!

Dear Attorney Georges:

We did respond to the April 19, 2007 Court Order. Are you (The City Of Chicago and The State Of Illinois) going to pay us? We need an answer from both of you, because we need to move forward with our case. Also, when will this case be resolve or dismiss. Again, attorney Rowells is *NOT* our lawyer! (see our May 10, 2007 letter to him).

Dear Attorney Rowells:

Please do not continue to meet with the city's lawyers in our behalf. You are *NOT* our lawyer!

However, attorney Rowells, you did not do anything to help us get this matter resolve. As a result of us being in federal court and *paying other lawyers* who was *communicating* with us, we were able to get this case where it is today.

Attorney Rowells, is it clear to you now why you are not entitle to any money that we (G. Collins Wordlaw, ltd.) will recover from this matter? Also, we never had a written attorney/client agreement with you. Attorney Rowells, Therefore, we are requesting again that you do not continue to communicate with the city's lawyers in our behalf. R: Final Notification that you were never our lawyer!

(RECEIVED Feb. 16, 2007)

Dear Attorney Rowells:

This letter is written to notify you that as we have stated over the last ten years or more that you are *NOT* our lawyer! We never had a written attorney/client agreement, and we never gave you any documents to represent us. So, if you are meeting with the city's and the attorney general's lawyers, please do not continue to do so.

We *never* gave you permission to make any decisions for us (G. Collins Wordlaw, Ltd.) regarding our recent letters to Mayor Daley and Lisa Madigan dated October 3, 2006, requesting payment for G. Collins Wordlaw, Ltd. nor, did we give you permission in the past. So, attorney Rowells, whatever, documents you are using, you did not get those documents from us. *We* have done everything, both Mayor Daley and Lisa Madigan have *all* of the information they need to make a decision to pay us. We have also made provisions for someone to get our checks for us. Again, you are *NOT* our lawyer!

In addition, as the President of my Corporation, I can request payment for my Corporation because we are not in court. Attorney Rowells, we have *never* received any letters from you stating that you wanted to help us with this matter. Moreover, we made it clear to you in all of our previous letters to you that you are *NOT* our lawyer! (See all previous letters specially August 15, 2006 letter to you)

Attorney Rowells, once and for all, we hope that it is clear to you as we have stated to you over the past 10-years or more, that there is no need for you to continue to meet with any lawyers in our behalf. Also, whatever documents you have been giving alderman Burke, that is allowing you to be involved in those meetings, those documents are illegal because YOU ARE *NOT* OUR LAWYER!

INTENTIONAL INFLICTION
OF EMOTIONAL DISTRESS

PART A

1. G. Collins Wordlaw,Ltd. tried to do the electronic filing portion of our business (filing individual income tax returns) from 1992 through ___ but, someone (the people whose helping Alderman Burke) created false documents (using three of my checks and stamping non-sufficicient funds on it) Bank One/Chase Bank said, "the three checks were never returned to the bank Bank One"

As a result of the people whose helping Alderman Burke creating the false documents (non-sufficient checks) we were not able to do the electronic filing portion of our business. We were damaged in the amount of $140,000. per year. $140,000. times 14 years = $ 1,960,000.00

Alderman Burke is *still* creating false documents see a recent bank deposit from LaSalle Bank dated March 22, 2006. This is a false document because none of the banks we are banking at have a negative balance.

2. I tried to work as a Substitute Teacher from 1995 to 2002. The people whose helping Alderman Burke would not allow me to work enough days that would enable me to pay my bills. Therefore, 4-days times $75.00= $300.00 times 4=$1,200. per month. $1,200. times 10-months= $12,000.

   $12,000.times 11-years $132,000.00in damages for not allowing me to work enough days to pay my bills.

3. Alderman Burke and the city's lawyers have been humiliating us as a business and a person. As a person I was forced to wear dentures that is broken in three places for several years because we were not allowed to work and was not able to take care of my personal needs and pay my bills, etc.

   We came up with a total amount of $247,908,000.00 for being humiliated since 1990.

** We are *NOT* in the business of selling greeting cards.

Total Judgement amount for 1. $1,960,000.00 2. $132,000.00 3. $2,092,000.00 + $247,908,000.00= $250,000,000.00

** As a result of the city destroying our business and not allowing us to work we have bad credit (see credit report).

Documents To Support
Paragraphs (5) and (6)
PART 2

Your Honor, Alderman Burke and his team of lawyers (Dan Webb's office) are still causing *Intentional Inflictional Of Emotional Distress:*

(1) Depriving us from working (2) Destroyed our business, (3) Grief (4) Shame (5) Embarrassment (6) Disappointment (7) Worry (8) Violation Of the right Of Privacy:

(A) Alderman Burke and his team of lawyers (Dan Webb's office) are *still* interfering with our mail! Since 1988 we have not been receiving all of our mail. Recently, we mailed Mr. Mueller the Director Of F.B.I. a letter and Dan Webb and Alderman Burke told the post office to hold his mail for eight (8) days. Mr. Mueller should have received his mail the next day. We mailed his letter 11/17/06 and he received it 11/27/06, we had the wrong zip code on his letter but, the person who waited on me put the correct zip code on his letter and told me to correct the zip code on my (label) of the certified mail. (see copy) Mr. Mueller should received his letter from us the next day.

(B) In October, 2000, JC Penny's Life Insurance Company canceled my life Insurance because Alderman Burke and Dan Webb requested the post office to hold my mail (payment for my Insurance) for several days until it expired just like they held the Director of the F.B.I.'s mail.

At that time (October, 2000) I was trying to borrow some money from my Insurance Policy. The fact that Dan Webb

have me on the Computer he and Alderman Burke were able to stop JCPenney Life Insurance from giving me any money, because they told the Post Office to hold my October, 2000 payment until it expired. (You see,they did not want me to get any money so that I would not be able to get a lawyer!)

(C) See some of the letters that we wrote Richard A. Devine explaining how Alderman Burke and Dan Webb again, were interfering with my mail. (see 06/28/01 and 07/20/01 letters for more details)

(D) See letters that I wrote to Jack O'Mally States Attorney dated 12/29/1992 and 01/26/1993 for more details requesting help from him because Alderman Burke and Dan Webb were depriving me from working and interfering with our mail.

(E) See false Parking Tickets that Alderman Burke's police friend created for him to make me look bad. These violations never occurred. The policemen were harassing me.

(F) Alderman Burke is still harassing me, he requested one of his policeofficer friend called me on my business phone harassing me about the May 15, 2006 letter (see copy of our May 15, 2006 and May 03, 2006 letters to Alderman Burke.)

(G) False document created by Alderman Burke's friend from the Secretary Of State stating that we did not file an annual report in 1988. (see copy)

(H) Alderman Burke and Dan Webb were using this false document from JP Morgan Chase Bank to make me look bad while they were meeting with attorney Rowells about three (3) weeks ago. This is a false document because the

information on it is not correct. I paid all of my outstanding bills and I never filed Bankrupt.

(I) Alderman Burke and Dan Webb requested the pharmacist or doctors to give me some white pills that no one know what they are and spoiled medicine. It would be deeply appreciated if Alderman Burke and Dan Webb stop requesting the Doctors and Pharmacist to give me medicine that will do harm to me. They are still doing it.

(J) Alderman Burke and Dan Webb have also requested the Doctors and Hospitals to record false information in my medical records.

(K) Alderman Burke and Dan Webb have been interfering with all of my bank accounts since 1989.

(L) Alderman Burke and Dan Webb have been interfering with my telephone service since 1988. They will also request that the phone company turn my phone service off. They would request the phone company to tape some of my phone conversations while they are meeting with attorney Rowells and other lawyers, also, they would request that the phone company would alter the sound so that it would be difficult for me to hear what the person is saying to me or not hear the person at all. Attorney Rowells will go home and get on the phone and talk aboutit to others and laugh about it. *Please* request that Alderman Burke and Dan webb stop interfering with our phone service.

(M) Dan Webb have me set-up on the computer, whenever someone key my name into the computer, there is something on the cumputer that tells the person to do something negative to me or over-charge me for the sevice that they are giving me or the items I am buying. *Please*

stop them from doing this to me. PLEASE take me off the computer.

(N) Dan Webb and Alderman Burke have been requesting the Gas co. (Peoples Energy) to over charge me since 1990. (see copy of recent bills)

(O) Alderman Burke have been communicating with attorney Rowells over ten-years regarding our court case. We Never had a written attorney/client agreement with attorney Rowells nor, did we give attorney Rowells permission to make any decisions for us regarding our October 3, 2006, October 23, 2006, November 16, 2006 and December 5, 2006, letters that we wrote to The City of Chicago and the State Of Illinois/Attorney General's Office. (see some of the many letters that we have written attorney Rowells especially 08/15/06 and 10/23/06 letters to him)

GLORIA J. WORDLAW,

Petitioner,

THE CITY OF CHICAGO and

Respondents.

**On Petition For A Writ Of Certiorari

For The Seventh Circuit**

PETITION FOR REHEARING

GLORIA J. WORDLAW
2121 East 98th Street
Chicago, Illinois 60617
(773) 978-4544

PETITION FOR REHEARING FROM DENIAL OF PETITION FOR A WRIT OF CERTIORARI

The Petitioner herein respectfully moves this Honorable Court for an order

(1) vacating its denial of petition for writ of certiorari, entered on October 1, 2007, and (2) Please grant the Petition.

(1) We (G. Collins Wordlaw, Ltd.) have requested, again, that both Richard M. Daley, Mayor Of The City Of Chicago, and Governor Blagojevich, The Governor Of Illinois, to paid us (see October 11, 2007 letters to both The Mayor and The Governor). No one has contacted us to make arrangement to paid us!

It appears that both The City Of Chicago and The State Of Illinois are *stalling* for time until the Statute Of Limitation runs out. We are begging this Honorable Court to Please make a favorable decision for this case and Please do not allow The City Of Chicago and The State Of Illinois to let the Statute Of Limitation run Out. The Statute runs out *November 17, 2007* (Lisa M. Magian, Illinois Attorney General used the information in our Proposal without our permission in October 1, 2003 through November 17, 2003).

(2) Both the Federal Court and The Court Of Appeals in the Seventh Circuit had proper Jurisdiction of our case and we were not able to seek justice. Nor, did either court allow us to have a lawyer; our

rights under the Fourteenth Amendment is *still* being vilolated, and the corruption is *still* going on:

(A) It appears that Dan Webb still have me on the computer; each time someone key my name in the computer, the computer will tell the person to do something negative to me.

(B) Alderman Burke, and Dan Webb are *Still* interfering with our mail. They do not always allow me to get the return receipts – green card from the post office.

(C) Alderman Burke and Dan Webb have us (G. Collins Wordlaw, Ltd.) on the Internet selling Greeting Cards. This is not true. We are not selling greeting card and nor, do we have a computer.

(D) Alderman Burke and Dan Webb also, have (G. Collins Wordlaw, Ltd.) listed in Yellow Pages Phone Book doing business selling Stationery Supplies. (see page 1392) This is not true. We never sold stationery Supplies.

Please Note: Alderman Burke and Dan Webb are trying to make it appears that they are not stopping us from working or operate our business.

(E) It appears that Alderman Burke and Dan Webb are *still* communicating with The Lt. Governor Patrick Quinn and a lawyer who is *not* our lawyer in our behalf. We have money for a lawyer.

(F) Alderman Burke and Dan Webb has a Doctor who is helping them. The doctor who is

helping them have been requesting the doctors and pharmacists that I have been going to, to over-charge me for my medicine. Moreover, in May, 2005, a pharmacist gave me some medicine that had poison ingredient in it and it made me very, very sick.

CONCLUSION

For the foregoing reasons, as well as those contained in the petition for writ of certiorari and, the petition for rehearing should be granted. We are begging this Honorable Court to *Please* hear us: we are on bented knees, The City of Chicago and The State Of Illinois are known for letting the Statute Of Limitation run out. The Petitioner respectfully requests this Honorable Court that the petition for rehearing be granted, the petition for writ of certiorari be granted and we are begging this Honorable Court to Please, Please, Please, make a favorable decision for our case. We will not be able to seek justice in The City Of Chicago, and The State Of Illinois. We deserve to be paid and start living a normal life again.

Re: G. Collins Wordlaw, Ltd.'s
Payment

Dear Attorney Georges,

The purpose of this letter is to let you know that we (G. Collins Wordlaw, Ltd.) would *still* like to be paid.

We recently saw you on television when you made the statement that: you had *FAITH* that the City Of Chicago, would pay everyone that the City owed money to!

In our June 25, 2007, letter to you and Mayor Daley, we indicated that we would like to be paid at least ten-percent(10%) of what was collected for the City Of Chicago from the Amnesty Program in October and November of 2003; when Lisa M. Madigan used our proposal without our permission. Ten-percent (10%) of what was collected comes to $12,460,000.00 (see 06/25/07 and 09/06/06 letters for more details)

Attorney Georges, it would be deeply appreciated if you would let us know how do we go about getting our

check? Can we pick the check up from your office or, from another office in your building? Alderman Burke and Dan Webb have not allowed me to have a lawyer since 1990. Please contact us by October 15, 2007 to let us know if we will be paid. Also, Attorney Rowells and the Lt. Governor Patrick Quinn are *Not* our lawyers.

Please do not continue to communicate with Attorney Rowells and Patrick Quinn in our behalf, because we *NEVER* had an attorney/client agreement with them; therefore, they are *NOT* entitled to any money

Re: G. Collins Wordlaw, Ltd.'s

Dear Your Honor:

The purpose of this letter is to let you know that we *still* would like to be compensated for Lisa M. Madigan using the information in our Proposal.

Furthermore, as we stated to you in our June 25, 2007, letter we would like to be paid at least ten-percent (10%) of what was collected for the State of Illinois Amnesty Program in October and November of 2003.(10% of $407,200,000.00 = $40,720,000.00)

Also, it was mentioned in our June 25, 2007 letter how others have been paid when the State used their proposals. The State paid them well, one year the state paid that person $40,000,000. and that person was paid $50,000,000.00 for his proposal for another year and he is the only one who benefited from his proposals. I was qualified to do the job and *everyone* is

benefiting from our proposal. We would like to be paid too.

Your Honor, please have someone to contact us as soon as possible within the next five (5) business days to let us know if you will pay us. Please put this in writing.

Further, we would like to get this matter resolve with you in the State of Illinois. We should not be *forced* to go to another State to seek JUSTICE! Also, we are requesting Mr. Grant's office to get our check for us. (Please see enclosed documents Attorney Rowells and The Lt. Governor Patrick Quinn are *not* our lawyers)

Dear Your Honor:

The Purpose of this letter is to let you know that we *still* would like to be compensated for Lisa M. Madigan using the information in our proposal without our permission in October and November of 2003.

Your Honor, we would like to get this matter resolve with you (The City) in Chicago. We should not be *forced* to go to another State to seek JUSTICE! Furthermore, the money from our proposal will continue to generate for the City of Chicago for as long as this City is standing! Your Honor, if you think about it, 12-million-dollars is nothing compared to *all*

of the terrible, humiliating,and degrading thing that Alderman Burke and Dan Webb have done to us over the past years. And what about the *poison pills,* Alderman Burke and Dan Webb requested the Pharmacy to give me.

Your Honor, please have Attorney Georges, to contact us as soon as possible. We are also requesting Mr. Grant's office to get our check for us. So, please let both Mr. Grant and myself (Gloria J. Wordlaw) know when the check is ready.
